Challenges:

Getting Divisions active in putting on Marine Environmental Protection or Sea Partner programs

Huzzah Huzzah

Auxiliarist Thomas Stead has completed the requirements for the USCG Aux Marine Safety Device or "TRIDENT" The letter of Recommendation for this award was submitted to Captain Byrd (Captain of the Port). This is the highest Marine Safety designation that an Auxiliarist can receive and is equivalent to the Coast Guard TRIDENT. Congratulations Thomas.

New District Marine Safety Staff Assistants

I would like to introduce the new 2012 Marine Safety District Staff Officer Assistants
ADSO Marine Environmental Protection Outreach Programs Quindy Sammler
ADSO Commercial Fishing Vessel Examinations, Cecil Claspell
ADSO Abandoned Derelict Vessels Joseph Chavoen. .
ADSO UPV and Facilities, Michael Mitchell
ADSO AWW, Neil Nevnsey

Division MS Report Highlights:

To all SO MS officers, Thank you for a great Marine Safety year, in spite of all the Covid Restrictions, we were able to excel in many of our MS missions. Please let me know if you will be the SO-MS officer for 2021, or provide the contact for your replacement.

DSO Activities

DSO and ADSO MS UPV have completed the final edits and additions on the Introduction to UPV Safety Examinations training module. This training module was approved by Commodore Cady and forwarded to the CG Auxiliary Training Directorate to be included in the National Training Catalogue.

DSO and ADSO MS UPV have completed the first round of edits on the UPV PQS. The latest version has been submitted to National Prevention. Also we have been asked to edit the CFV PQS and this process has just started.

Commercial Fishing Vessel and Uninspected Passenger Vessel Examinations.

Well the Commercial Crab season got off to a rocky start with both rough weather, poor crab counts and pricing issues. Combined CFV exams for December were 33, with 27 for Sector and 6 for the Auxiliary.

Marine Safety Training for 2021

We will be offering the MEES and MSAM classes during the March D Train. Watch the Member Training Calendar as other classes will be added.

Dock Walker Classes, 2021

Vivian has published the first half of 2021 Dock Walker Training, as well as refresher training. See Below

Dock Walker: March 6, April 24, May 8, and June 12,

Dock Walker Refresher: April 10, and May 15

WHAT WE NEED FROM YOU

Please select a training date and California region below along with the requested contact information OR complete the above registration form and email it to Vivian Matuk at vmatuk@coastal.ca.gov. Please include your name, organization (if applicable), address, and phone number as stated in the form.

WHAT YOU WILL NEED

A computer with internet access and a microphone or a telephone to call in. Please note you do not need a Zoom account to attend a Zoom video conference meeting; once registered, you will receive a link to join the meeting along with instructions to join and a few additional files.

Abandoned Derelict Vessel

Joseph Chavoen attended the virtual ADV Partners meeting on January 13. The focus was on the value of recycling fiberglass from ADV boats for use in concrete. This will help provide additional funding for the cleanup of ADV vessels.

As we can now conduct patrols and include the ADV survey mission, John Hardin has done a great job in locating and surveying 8 ADV vessels starting on December 15. Conducting these missions really supports the MEP mission in the Delta and aids in the clean-up process.

New ADV vessels Contributed by John Hardin while on the Sacramento and American Rivers.
