3. Updated 2021 C-School information per the website:

“The Coast Guard is currently working under a continuing resolution through December 11th. Because of this we are unable to announce pending "C" School convenings. Once the Coast Guard has a budget we will be able to release the 2021 "C-School schedule. At this time there are plans for numerous "C" Schools at N-TRAIN in 2021.” AUXLAMs details were sent via email to all members if they would like to have your name on the list to attend via Zoom, let me know.

4. District Training Calendar

Additional classes will be added as needed. If you have any suggestions or would like a class that has been taught earlier this year, let me know and I will work to see if we can make it happen. New schedule to be out in February.

5. Elected Officers Training

Training was schedule for December 1st and 8th with approximately 55 people in attendance. Additional classes are schedule for January 12th and 26th.

6. DSO Information Meetings

Sent an email out to all DSO's about having a webinar to have discussion and provide information to all the SO/FSO within their lane. Currently have three scheduled (MS, MA, IS). Will continue to work this as request have been made to understand the job responsibilities for their positions.
