Re: ASC-SF activity Report for Sept/Oct 2021

Activity at Sector San Francisco

- Fleet Week planning has taken place beginning in July 2021 and continuing up to and through October 11, 2021. Activities included Surface Operations, Communications, at Sector Command Center and SF Muni Pier, Food Service and Aux Guide Service at YBI and on the Buoy Tenders COBB and ASPEN, Participant Lists have been sent to Sector through our two AUXLO reps. BZ to all who participated and helped to plan events and make this Fleet Week a successful
- Other events in progress are the AUXSCOUT training activity at YBI and the IRONMAN event in the Delta. Requests for participants have gone out to Divisions in each area.
- On going concerns, questions and announcements are brought up each week at the SLT meetings.
