Re: Monthly Report for September 2021 Board and Staff Mtg.

Not much to report from Publications:

I am hopeful that we will yet receive some more articles for the next issue of Northwind. If you have articles about what the stand-down was like, how people are getting back out there, etc., please let me know.

Communication from SOs-PB is still a challenge; Division Commanders, if you have an SO-PB, please encourage them to include me on the distribution of monthly reports to your Division.

There's still time to answer last quarter's Spotlight Question – go do it now! 😊 (Unless you are reading this during the meeting.)

Peace,

Greg Schaefer, DSO-PB
