District 11N DSO-PV Report for Year End 2021

Here is the Program Visitor year end 2021 report. As a District we were 30 visit higher then 2020 but most likely would be much higher due to lack of reporting, see the chart at the end of the report. We have had some outstanding and dedicated Program Visitors as seen in the 100+ visit club, Bravo Zulo to them.

This year, we plan to base out goals of off last year (2021). We would love to see pre-COVID visit numbers but realize that is not going to be practical until COVID is a non-player in our communities. So, this year we are setting our goal to be 2% higher then 2021. This should be obtainable with a little more effort and hopefully with the COVID pandemic lightening soon. We encourage all of our Program Visitors to please follow all Health Department and Coast Guard guidelines as pertaining to visits in their areas.

Please encourage all your PVs to report their visits. Auxdata II makes it easy to report multiple days of visits on one form.
