District 11N DSO-PV Report for January 2022

Welcome 2022! This year has already started off great. We have had 84 program visits reported in Auxdata II since Jan 01. That is 39 more visits then this time last year.

Information was on how to report data, officer descriptions, and PV links will sent out to all the SO-PVs and FSO-PVs that are currently listed in Aux Directory, along with this report.

Division Commanders, please appoint a SO-PV if you already haven't and get them into Auxdata so they can then support the FSO-PVs and PV members in your division.

Century Club Members Looking forward to seeing this table filled with those who completed 100-plus Partner Visits.

Our Goal for this year 2021 for the Marine Visit is to increase the marine visits by 2% from 2019 (see the stats chart) since 2020 was a COVID-19 bust.
