Re: ASC-SF Activity Report for Feb/March 2022

Activity at Sector San Francisco

- SLT meetings are once again in person and without masks (unless wished)
- Sector is involved with many professional boating group meetings and planning meetings for public events. Stakeholders and participants are included. Mentioned specifically are the Harbor Safety Committee meetings.
- There is continued support in attendance at the remaining COW events, by Sector Command, AUXLO's and Staff
- Sector is in search of an Auxiliarist who can assist Coast Guard members with Wills, Trusts and all Financial Management tools for long term security
- Funneled questions/answers to appropriate Sector POC's
