**DTRAIN**

At DTRAIN, the PE community is offering two training classes. One is on running a flotilla-level PE program and, specifically, advertising and producing in-person and virtual courses. The second is on teaching the “A Paddler’s Guide to Safety” course.

**NTRAIN**

None of our ADSO-PEs are available to attend NTRAIN, which is the same weekend as our DTRAIN. We have been working with the national staff on alternate ways of receiving the PE information presented at NTRAIN.

**Mandatory National Instructor Workshop**

The mandatory national 2022 instructor workshop has been released. Instructors are required to complete the workshop by 30 JUN 2022. Instructors who do not have a workshop entered into AuxData by then will be placed into REWK status. Instructors who do not have a workshop entered into AuxData by 31 DEC 2022 will be placed into REYR status. The workshop can either be studied alone by the instructor or – even better – taught by an instructor to one or more instructors (earning the teaching instructor some MT instructor hours!).

So far 21 of our instructors have recorded a 2022 IT workshop so far.

**Completed Courses**

Congratulations and thank you to Flotilla 53 (North Solano County) for having completed two Boat America classes (15 and 21 students) and to Flotilla 12-91 (San Ramon Valley) for completing one Boat America class (three students).
