Re: ASC-SF Activity Report for March/April 2022

Activity at Sector San Francisco

- Attended SLT meetings
- PICYA has invited Sector Commander Captain Lam to serve as Grand Marshall of the Opening Day Parade along the San Francisco waterfront. Traditionally the GM will be on the judging ship near the St Francis Yacht Club. A BZ to Captain Lam for serving and representing the local Coast Guard Sector.
- Sector SF will support the D11 Communications Exercise in April. The Auxiliary will provide Communications equipment and personnel to make this exercise work successfully. Many different locations will support this event.
- The new Auxiliary DSO-MS will meet with the Prevention Chief at Sector to review all MS programs that the Auxiliary is able to support.
- Our AUXLO's continue to provide great support for Auxiliary events.
