District 11N DSO-PV Report for March 2022

Second month in a row that we have doubled our visits, 171 to 345, most of that was on the back of Division 5! We still have a few divisions that have yet to report any visits, so when they do, will give us an even clearer picture of the work being done. This is not a numbers game, but is the best way we have to see what is happening. Every visit matters because it makes sure that RBS information is free and available for any to take and read.

Division commanders, please have your SO-PV encourage your members to report the work they have done. Let's keep the momentum going.

Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

Century Club Members Looking forward to seeing this table filled with those who completed 100-plus Partner Visits.

2022 Century Club Members			

Our Goal for this year for the Marine Visit is to increase the marine visits by 2% from 2020.
