Let us all, as we go forth in our various roles in the District 11 North Auxiliary, remember what our departed members have given us and let us in our own way carry on in uplifting the ideals of our organization.

Though our best words only approximate the grandeur of their living, the testimony of their dreams, commitments and ideas will live on in our memories and in our hearts. As long as the Auxiliary lives on, they will live on. Our love and respect for them will never die and they will always be remembered in our hearts. Being in the Auxiliary, we never want to hear that one of our brothers and sisters crossed the bar.

Another tear will fall the next time we gather at the Antlers' OPTREX and we toll the boats as we notice the empty seats where Charlie Duncan once sat. We will miss him at the annual Antlers OPTREX where he was a guiding force for so many years.

It is with honor and dignity that we come together during this long-awaited DTRAIN 2022 and our monthly District meeting to remember our fellow Auxiliarists who have left us during this past year. Let us pause for a moment of silent meditation and remember him in our own special way.
