District 11N DSO-PV Report for April 2022

We are up another 186 visits from last month with a total of 531 visits. All that is being reported by 27 Program Visitors. Imagine how many more people would have access to our safety information if we had 50 PVs out sharing the information.

Once again Division 5 is just killing it. They have already hit the targeted goal in four months. Bravo Zulu Division 5. Division commanders, please have your SO-PV to encourage your members to report the work they have done.

Emphasizing again this this month --Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

Century Club Members Looking forward to seeing this table filled with those who completed 100-plus Partner Visits.
