All C-Schools for FY2022.

Please be aware that none of these convenings are guaranteed. USCG Funding within the budget will effect plans as well as student signup. Courses must get funded with AFC 56 money for listed dates or the course may be canceled. Exportable courses are designed with very limited AFC 56 funded seats and are designed around local no-cost orders from the DIRAUX's offices. They are scattered around the country to accommodate as many students as possible in a geographic area as requested by District Axillary leadership to the course POC. Some C-Schools are being held virtually using the ZOOM and / or MOODLE platforms. Contact the course POC listed on the [C-School Matrix](#) for current details.

Our District will be having several sessions and details are below:

- AUX Public Affairs – 5/20-5/22 (Alameda CGI)
