Re ASC-SF Activity for June/July 2022

Activity at Sector San Francisco

- Attended SLT meetings as held. July has been a month of promotions and activity at Sector.
- Fleet Week Planning will include the 4 usual days of Blue Angel activity. There may be fewer viewing platforms this year due to ship availability.
- There will be a day long ICS Introductory training at Sector on 26 July 2022 with a walking tour of the Base and areas of training to be offered. If interested contact Renee Thomas to sign up.
- Sector has assigned a new AUXLO, ENS Rachel Jankelow. Lt Natasha Kenney continues as AUXLO and OIA.
- Lt. Kenney and DSO-MS are working on restarting the Aux Pollution Responder program. More to follow at a later date.
