

**MONTHLY REPORT
INFORMATION SERVICES
July 2022**

REWK & REYR Processing/2022 National Workshops

The Monthly REYR processing has been run and members who did not complete the required National Workshops have had their competencies placed in REWK status. Overall, we had an 85.2% completion rate for the workshops. The breakdown for Competencies going into REWK is as follows:

- 1 AUXCA1-Auxiliary Culinary Assistant (94.1% completion rate)
- 6 Boat Crew Coxswains (90.2% completion rate)
- 19 Boat Crew Crewmembers (82.7% completion rate)
- 12 Instructors (90.8% completion rate)
- 1 Personal Watercraft Operator (88.9% completion rate)
- 15 Telecommunications Operators (76.6% completion rate)
- 25 Vessel Examiners (82.3% completion rate)

Members who have had their competency placed in REWK may not perform any mission activities until

1. they have completed the required workshop,
2. the workshop is entered into AUXDATA II, and
3. DIRAUX is notified they have completed the workshop.

The DIRAUX notification is a vital step in getting their competency reinstated to Certified. Without the notification, their competency will remain in REWK. Please have the member complete the MT-2 for MT-3 form through the Chain of Leadership.

Competencies

Competencies are still being reviewed and updated.

Attached is Mission Activity Report by Division showing mission activities. Please note the tabs across the bottom for PV and VE activity.

As always, my staff and I will be happy to help with any AUXDATA II needs.

Respectfully submitted,

Pamela Berger, DSO-IS

District 113 Mission Activity Hours
