On July 2nd, Flotilla 55 set up a Recreational Boater’s Safety Booth at Lake Sonoma CA. With the lake level being at around 50%, it was a bit of a quiet for a holiday weekend. Still, participants Therese Van Wiele, Thomas Nguyen and Jim Matthies were able to reach out and talked to many boaters that day. Subjects included Recreational Boating Safety, life jackets, California State licensing, PE classes, fire extinguishers, boating registration, VSC’s and accident reporting. There were nine VSC’s completed. PFD’s were delivered to both the public launch on Rockville Rd and the Marina on Skaggs Spring Road.
