District 11N DSO-PV Report for July 2022

80% of our goal met, up from 18%! That is a lot of information being getting to the boating public.

Division 10 is the second one to reach their goal and surpass it with Division 12 close to making their goal. Division 5 is still going like gang busters with 645 Program Visits, that is over half of all the rest of D11N, wow. Thank you to all the individual program visitors in all our divisions who are going out and doing visits and getting more partners to work with. It is the individual members who are making the difference.

Century Club Members We have three members have hit the 100-plus Partner Visits level! Bravo Zulu to them for the hard work they have done.

Emphasizing again this this month --Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata “How to Guides” show an efficient way to report PV visits. The link is at the end of this report.

Our Goal for this year for the Marine Visit is to increase the marine visits by 2% from 2021.
