3. Updated 2022 C-School information per the website:
All C-Schools for FY2022.

Please be aware that none of these convenings are guaranteed. USCG Funding within the budget will effect plans as well as student signup. Courses must get funded with AFC 56 money for listed dates or the course may be canceled. Exportable courses are designed with very limited AFC 56 funded seats and are designed around local no-cost orders from the DIRAUX's offices. They are scattered around the country to accommodate as many students as possible in a geographic area as requested by District Axillary leadership to the course POC. Some C-Schools are being held virtually using the ZOOM and / or MOODLE platforms. Contact the course POC listed on the [C-School Matrix](#) for current details.

4. District Training Calendar

Additional classes will be added as needed. Updated calendar with additional classes and an email will be sent out to see the calendar for the classes available. Annual RM/TCT is required every 15 months. Stay up on your due dates. Stay tuned for additional classes as needed.

5. District Elected Officers Training

Please make sure to send me your division/flotilla elections results to add the names to the listing for the training.

6. DSO Information Meetings

Sent an email out to all DSO's about having a webinar to have discussion and provide information to all the SO/FSO within their lane.

Respectfully submitted,

Ann Zocchi, DSO-MT D11NR
