

10 Nov 2022

TO: Board and Staff

FROM: Larry Olson, DSO-AV

SUBJECT: AuxAir Report for October 2022

We had very few flights during October due to the new FY budget issues, but our flights are starting to increase.

We do continue to train new Observers, Aircrew, and Pilots.

Our bi-monthly Squadron Dinner/Meeting was held on October 18 and we discussed a number of aviation safety related issues.

We, also, had our National aviation telephone call where we reviewed national policy items and discussed various concerns and issues important to auxair.

Respectfully submitted,

Larry Olson

DSO-AV
