State of the Instructor Corps

We currently have 135 fully certified instructors. (vs 129 in September) and we have 12 instructors in REWK status (vs 12 in September).

However, only 81 instructors have recorded sufficient instruction time in AuxData to avoid going into REYR status at the beginning of 2023. Sufficient time is two hours lead, four hours assistant, or one hour lead plus two hours assistant.

District PE Goals Snapshot

Our district’s 2022 PE goals are: (i) for each division and each flotilla to have a PE officer, (ii) for each flotilla to have a fully qualified instructor (including having completed the 2022 instructor workshop), (iii) for each flotilla to have completed one PE course of any type, and (iv) for each flotilla to have completed one “A Paddler’s Guide to Safety” course.

To help the PE department and the District board and staff at large track our progress on these goals, we have created the District PE Goals Snapshot, which is set forth below. In general, green means that a goal is met and yellow means that a goal is not yet met. The one exception is that a missing SO-PE shows up in red.
