Instructor Development Course 2020 (IDC 2020)

A handful of experienced instructors from our district recently audited a four-evening offering of the IDC 2020 taught virtually by the national staff of the E directorate. It was a train-the-trainer opportunity, as it allowed us to see how the creators of the IDC 2020 framework teach it themselves and how they evaluate instructor trainees. With the knowledge, experience, and confidence gained from that experience, we will be seeking to offer virtual IDC 2020 courses within our district at a tempo sufficient to meet demand from instructor trainees. We will initially seek to recruit trainees from those three flotillas in our district that current have no qualified instructors.

PE-Related Courses at DTRAIN

With thanks to Ann Zocchi, DSO-MT, for making space for us, at the upcoming DTRAIN we'll be teaching a one-hour course on the instructor qualification process under the IDC 2020 process (see above) and a one-hour course on how to teach A Paddler's Guide to Safety (see below).

Revised Paddlecraft Course Coming Soon

Sometime this month, the national E directorate expects to post a refreshed Paddlers Guide to Safety PowerPoint. It will be a fully revised version of the current one, which was produced around 2015. This refreshed version will have been fully vetted by the American Canoe Association (our official partners in paddlecraft safety). We will send a notice to the all-D11NR-instructors email list with a link to it once it is posted.

District PE Goals Snapshot

Our district's 2023 PE goals are: (i) for each division and each flotilla to have a PE officer, (ii) for each flotilla to have a fully qualified instructor, (iii) for each flotilla to have completed one PE course of any type, and (iv) for each flotilla to have completed one "A Paddler's Guide to Safety" course.
