Re: ASC-SF Activity

Activity

For any of the following contact the ASC-SF or the AUXLO's ENS Jankelow or LT Kenney.

- Sector has requested the Auxiliary provide Entry Gate Attendant support. Clear CG and Aux members into Sector.
- Sector Galley is still looking for CA1 support during the week and perhaps weekends.
- The Communication Unit at the Sector Command Center requests some support. If your interest is working with radios give it a try. Same sort of support as standing a Radio Watch at a Station.
- Gary Kaplan has received the Auxiliary Commandants Letter of Commendation for his participation as the MISLE verifier for the Sector Command Center.
