

John Michael Zimmerman will be attending NTRAIN in my stead and will be the Deputy DSO Culinary. Command Master Chief's retirement reception "exceeded expectations!" Tommy Holtzman created an amazing ice sculpture of the Golden Gate bridge that was a high point for CMC Hooker. The food was "family approved (and they're tough!)" Jim Losi, Darcy Kaur, Pat Swain, and Linda Haynes all supported this event along with the DSO-CA

Bard Mansager is supporting the YBI galley several times a month as his active duty schedule allows.

John Michael reports that in Utah they have a number of members interested in gaining CA1 certification. We are looking at how to leverage virtual tools to provide resources. With the national virtual training launched, that may provide the needed access.

We continue to field requests for our CA1s to supplement or support gold side, more than we can fill.
