District 11N DSO-PV Report for March 2023

We have more than doubled the number of visits from last month. Love the enthusiasm this shows!

National is continues to replace old literature with modern, newer information on the ANSC order site (see bottom of report). Don't forget to look at the 2023 National Program Visitation Workshop which can be found on the National website (link also at bottom of report). It is not required but highly encouraged for all program visitors to view. It is very useful when doing a PV training / workshop.

When reporting your program visits, you are either Lead or Trainee. There is no non-lead for reporting visits. Please report just your own visit unless you have a trainee with you. See end the end of this report on how to report your visits.

Century Club Members: The Century Club is a special recognition for those who conduct more than 100 Program Visits. Looking forward to seeing who will be the first.

2023 Century Club Members			

Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata "How to Guides" show an efficient way to report PV visits. The link is at the end of this report.

Our Goals:

- Increase the RBS Program Visits by 2% from 2023
- Have 65% of members report their visits (51 to 60)
- increase the number of total Program Visitors by 10% (92 to 102) current 93.
