

DSO-MA FOURTHTH REPORT FOR 2023

Date: April 30, 2023

To: COMO Curtis Han
Jim Losi, District Chief of Staff
Randy McCormick, DCAPT-Support
District 11N Board and Staff

From: John Brandenburg, DSO-MA

IMPORTANT NOTES: PLEASE ENCOURAGE ALL OF YOUR PERSONNEL TO:

- a. ORDER THEIR UNIFORM ITEMS/ ACCESSORIES FROM:
Our Coast Guard Auxiliary Association on-line store www.auxcen.com. The prices are very reasonable, and a portion of each sale comes back to our District to support our Association.
- b. PLACE THEIR AMAZON ORDERS THROUGH:
www.smile.amazon.com **Amazon no longer offering a .5% on orders to Coast Guard Auxiliary Association**

HIGHLIGHTS:

1. District Store Getting Ready for Mini D-Train in month of June.
2. Still requesting accurate inventory on issued Yellow Bags. Instructed all Division MA's to work with Flotilla MA's to get reports to me ASAP.
3. Progress is still on-going fixing all District Robot Coasties & Trailers, Food Service Trailer and Two Communications Trailers.

DETAILS:

1. The District is gearing up for Mini D-Train month of June. Will request to place another order to replace needed items. Request to have store open during Mini D-Train on Coast Guard Island. Still waiting decision.
2. (On-Going) Progress is still being made on fixing all of the District Robot Coasties and Food Service and Communication Trailers. We are still trying to obtain active-duty funds to complete repair the remaining trailers. Currently, we have two proposals waiting funding for new batteries for the two Communications trailers and new bearing for the Food Service trailer. Additional funds will be needed to repair and purchase items for the Communications trailer currently being stored in Fallen Nevada.

CHALLENGES/ OBSTACLES (2023): (Final Progress made is in bold)

1. Continue to overcome any remaining restrictions to be incurred due to Covid.
2. Obtaining Coast Guard funding to repair and maintain our ACV and Coasties. **Coast Guard funds have been released to fix all safety issues on our Coastie Trailers. More funds will be required in the near future to get them all back into fully functional condition.**
3. Working getting actuate report on issued “Yellow Bags”.

AGENCY INTERACTION:

There is constant communication with Stan Feldman of AUXCEN.

GOALS AND OBJECTIVES, 2023: (Progress made is in bold.)

1. Have Fun, Enjoy the work!
2. Encourage the National Materials Team to hold quarterly webinars and participate in all of them.
3. Hold District Materials Team Webinars quarterly with all SO-MA’s and FSO-MAs and assist the SO-MAs with any problems they might have.

4. Repair all 4 Coasties and the Food Service Trailer to full operational condition once Coast Guard Funds become available and ensure they remain fully operational.
5. Make necessary repairs on the Auxiliary Communications Vehicle when Coast Guard funds become available and institute/ maintain a reservation program for its use
6. Provide Materials Store support for our District Past Commander's Conferences and DTrain.
7. Provide any other Materials support required by our District Commodore and/or Chief of Staff.
8. Make our District Store even more relevant by asking District MA Personnel what they would like to see stocked; and purchase those items.
9. Continue to train SO-MA's so that they can support their divisions to the fullest.

IMPORTANT NOTE:

Reminder, if you serve in an elected position in the Auxiliary, you CANNOT also serve in either a Materials or Finance Staff Position!

DIVISION SO-MA RECEIVED REPORTS THIS LAST MONTH:

Division SO-MAs are encouraged to submit their monthly reports for inclusion in our District MA Report to inform EXCOM and other staff officers of your activities. It is also valuable for SO-MAs and FSO-MAs to read this section to see what their Materials shipmates are doing and to get some great ideas for their own organizations!

District Rolling Stock Mangers report:

- **Auxiliary Communications Vehicle (ACV):**
The ACV wasn't schedule for any events for the first three months of the new calendar year. The monthly inspection was completed for January and February. The PM work needs to be done soon. Will contact two facilities for price proposal for the work needed. Will get approval before work is performed. Will need to take this unit on its monthly two-hour drive to assure reliability of this unit. Received estimate for service and required work in the amount of \$5,900.00. First quote didn't include new shocks, alignment and repairing transmission leak.
- **Four Coastie Trailers: (On-going)**
Three of the Coastie trailers have been repaired using DIRAUX and personnel funds. The fourth Coastie trailer requires additional repairs to the wiring and install new brake light unit. DIRAUX funds covered majority of the repairs, However, personnel funds were used to complete additional repairs needed. However, due to limited funds, members Dave Sequeira and John Brandenburg used personnel funds to complete needed repairs for this trailer.
- **Four Coastie Robots: (On-going)**
Received parts order by DIRAUX to repair and refurbishment the four (4) Robot Coasties, Due to limited DIRAUX funds, the parts received will repair and refurbish two robots Coasties, leaving two 80% repaired. Dave and myself will use old parts to try and get the other two robots operational. However, some of the features will not be functional.
- **Food Service Trailer: (On-going)**
This trailer is awaiting additional funds from DIRAUX to complete this trailer. Waiting funds to replace the bearing assembly. Personnel funds were use to replace running lights and repairs on the trailer frame.
- **Two Communications Trailers:**
The Communications Trailer #1 stored at Sacramento Air Station is currently at the members resistance in Fallen Nevada. This trailer is currently out-of-service. Received price proposal of \$13,500.00 to replace the air condition unit, brakes, wiring, frame repairs, safety items and batteries.
The Communications Trailer #2 stored at members residence in Utah is operational to support communications mission requirements. Some

repairs are needed to the exterior of this trailer. Will request funds after receiving list from member.

Note: New Batteries for both Communications Trailers have been requested and price proposal were sent to DIRAUX for funds.
