District 11N DSO-PV Report for June 2023

Thank you to everyone who got out and visited one of your partners! Nikolay Zherebnenkov has already done 210 visits my himself, Bravo Zulu Nikolay. Division 12 has met and surpassed their yearly goal and Division 4 is one visit away from meeting their goal. Welcome Don Anderson from Flotilla 3-1 as a new Program Visitor! There is more activity going on but reporting it in AD2 has been slower this year. Program Visitors, please report your time and effort, you deserve the recognition.

The ANSC distribution center has great RBS pamphlets (end of report for link). Have your MA or FC place your order and then you can get them out to your boaters. Here are this month's RBS pamphlet spotlights:

3028 PAMPHLET, CHILDREN & PERSONAL WATERCRAFT (BR) - Provides a quick summary of what you must know to be safe on the water. (MAX 50)

3009 PAMPHLET, YOUR VHF-DSC MARINE RADIO - Very High Frequency Digital Selective Calling / Global Maritime Distress & Safety System (GMDSS) - Includes descriptions of system functions, equipment and capabilities / Emergency DSC Distress Procedures. (MAX 50)

Century Club Members: Welcome Dinia and Erik Paananen to the Century Club. Between the two, they have done 205 visits! The Century Club is a special recognition for those who conduct more than 100 Program Visits.

Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata "How to Guides" show an efficient way to report PV visits. The link is at the end of this report.

Our Goals:

- Increase the RBS Program Visits by 2% from 2023
- Have 65% of members report their visits (51 to 60)
- increase the number of total Program Visitors by 10% (92 to 102).
