Re: ASC-SF Activity for July/August

#### Activity for ASC-SF in July/Aug 2023

- Due to injury the ASC did not attend SLT meetings last month or the Monday Briefs.

We have 2 Auxiliarists qualified to stand watch at the Sector Entry Gate. One is waiting for the ALAC.

- Sector Galley is still looking for CA1 support.
- Summer activities at Sector continue to keep both Auxiliarists and Active Duty busy. Surface vessels are in support of swim events, PATON verifications and public outreach events. Many Flotilla's and Divisions are in support of Sector throughout our entire District with participation at all of the Stations. Stations have assisted Auxiliary training of coxswain's and crew. We thank the Active Duty wholeheartedly for that endeavor.

Respectfully submitted,
