

23 August 2023

TO: Board and Staff
FROM: Larry Olson, DSO-AV
SUBJECT: AuxAir Report for July 2023

July was a pretty quiet month for AuxAir. We had a few patrols and continued our training of new Observers, Aircrew, and Pilots. Doug Kerr worked with the OTO and others in the Coast Guard to straighten out some budget issues, so we believe the budgeted funds are actually available for auxair to continue flying for the remainder of this FY.

Respectfully submitted,

Larry Olson
