New PWC Course

National is pleased to announce the launch of an exciting and comprehensive Personal Watercraft (PWC) seminar course designed to enhance safety, skills, and knowledge for PWC enthusiasts. This seminar course is designed for instructors who want to expand their flotilla's course offerings.

This course is designed to teach participants the basics of safe PWC operation, including:

- How to operate a PWC in a variety of conditions
- How to avoid accidents and injuries
- How to be a courteous and responsible PWC operator

It is estimated that the presentation of the material will require approximately 90 minutes.

Golden Key and Lighthouse Awards

National is making the initial offering of the Golden Key and Lighthouse awards. These are for 50 and 100 hours (respectively) of lead instructor time in 2023. These will be presented to our DCO at NACON and then distributed within our district.

E Directorate Call

DSO-PE attended the national E Directorate-hosted call for DSO-PEs on 09 AUG 2023. Topics included Maxim, Golden Key, and Lighthouse Awards; developments at the state levels; planning for the next five, ten, and fifteen years; and qualifying new instructors. Our district was highlighted for our recently completed Instructor Development Course.
