Re: ASC-SF Activity for Aug/Sept

Activity for ASC-SF in Aug/Sept 2023

- Attending the Monday Brief of Sector and the SLT meeting and training in the Command Center in the CU.

We have 2 Auxiliarists qualified to stand watch at the Sector Entry Gate, however one has been accepted to study Engineering so we wish him well. Perhaps other Aux members would like to qualify to stand watches at the Entry. Just ask .

- Sector Galley is still looking for CA1 support.
- Fleet Week planning is in progress. Members wishing to do Shore side activities must apply through the San Francisco F W website.
- Planning for the Bay Ferry Exercise with 3 Auxiliary vessels participating.
- A new request just in !! Auxiliary Guest Support is needed for 2 vessels that will be taking on passengers for Fleet Week. The Waesche and the Benjamin Bottoms will each need 5 guest support people for each day they are underway. If they are out for 3 days that would be 30 slots to fill.

If you are interested in volunteering in that capacity please contact Gary Kaplan at gkaplan.uscgaux@gmail.com

Additional information will be forthcoming as it becomes available.

Respectfully submitted,
