AUX-10 C-School

The next virtual class will begin September 19, 2023. This class runs two nights a week (Tuesday and Thursday) for seven weeks.   Registration for the September class has closed. Members can express their interest in attending the course by completing the Pre-Registration form found on the AUX-10 C-school page on the U Directorate website.

REYR Processing
The August REYR processing shows 5 competencies for four members going into REYR status. The four members need to complete the Annual RM/TCT Refresher course. Once the course is completed and entered into AUXDATA, the MT-2 or MT-3 form must be submitted to DIRAUX to have the competency status changed to Certified.

REWK Status
Members who have a competency in REWK status for missing a 2023 workshop must complete the workshop, have it entered into AUXDATA II, and submit a request (MT-2 or MT-3 form) to the DIRAUX

office to have the competency set to certified. Please have the workshop entered into the members record before contacting DIRAUX.

Annual Currency Maintenance Task Forms for Coxswain, Crew and PWC Operator

So far, 30 of the 125 Coxswain, Crew and PWC Operators have submitted the Annual Currency Maintenance Task forms for 2023.

The forms for reporting the Annual Currency Maintenance Tasks can be found on the National Forms Warehouse Page/Boat Force Forms. These forms are listed as Enclosure (4), Enclosure (5) and Enclosure (6). When all tasks have been completed and signed off, the form must be sent to the DIRAUX office for processing.

Reports

AUXDATA II has many reports that are just a few clicks away! These reports will help you manage your Divisions, Flotillas, or areas of Program responsibility. If you have any questions or would like more information or training on AUXDATA II reports, please let me know and I would be happy to schedule a training session.
