District 11N DSO-PV Report for October 2023

We as a District are at 99% of our goal for Visits. This is in part due to Division 1, 3, and 12 which are all above 120% and Division 4 at whopping 243% of last year! This is fantastic. This with only 48 of our Visitors reporting. Please, if you have done any Program Visit, report your hard work.

The ANSC distribution center has great RBS pamphlets (end of report for link). Have your MA or FC place your order and then you can get them out to your boaters. Here are this month's RBS pamphlet spotlights:

3022 PAMPHLET - US AIDS TO NAVIGATION SYSTEM - This 16 page pamphlet is designed to help the recreational boater better understand the principle use and identification of the U.S. Aids To Navigation System. It contains detailed illustrations on the various types of buoys and beacon used today. Also included, is a section on bridge lighting characteristics and identification, Draw Bridge opening signals and procedures, America's Water Watch and Always Wear Your Life Jacket. (MAX 100) (REV. 05/2014)

4020 FLYER, 10 Ways YOU Can Save Our Seas - 8 Ways YOU Can Use Less Plastic (MAX 25)

Century Club Members: Welcome Tommy Holtzman to the Century Club with 108 visits so far. The Century Club is a special recognition for those who conduct more than 100 Program Visits.

Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata "How to Guides" show an efficient way to report PV visits. The link is at the end of this report.

Our Goals:

- Increase the RBS Program Visits by 2% from 2023
- Have 65% of members report their visits (51 to 60)
- increase the number of total Program Visitors by 10% (92 to 102).
