Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata “How to Guides” show an efficient way to report PV visits. The link is at the end of this report.

Our Goals:

- Increase the RBS Program Visits by 2% from 2024
- Increase the number of members who report their visits by 25% (28 to 35)
- increase the number of total Program Visitors by 10% (47 to 55).
