Re: ASC-SF Activity for Mar/Apr 2024

Activity for ASC-SF in March/April 2024

- Contact with the Sector Command or Department Heads as needed.
- The two Ensigns training for AUXLO duties under LT Hamann: ENS Nicole Bemis and ENS Angel Davila Gonzales are actively engaged in supporting the Auxiliary. Both are also very busy completing required training in their Active Duty positions.
- There have been no new requests for Auxiliary assistance directed to the ASC-SF. Of course, requests already desired are on the RFF (Request for Forces) survey.
- There has been some confusion with the Active Duty in some areas as to who to contact for Auxiliary assistance at Sector. We will be working to find a solution to that problem.

Respectfully submitted,
