

## **DISTRICT 11NR STATE LIAISON COORDINATOR STAFF REPORT**

**DATE:** 09 May 2024

**From:** Don Anderson, DSO-SL  
D11NR Coast Guard Auxiliary

**To:** Curtis Han, COMO D11NR  
COS James Losi

**Cc:** Douglas Leavell, Lana Visser, Angelo Perata, Roger Haynes

**SUBJECT:** STATE LIAISON ACTIVITY CA, UT, NV

**Ref:** (a) State Liaison Officer Guide, 2.B.(4)

1. The CA Boating Law Administrator (Interim) Maria Perez-Allen emailed me that she had been contacted by Newport Harbor looking for ways to get in with the Safe Boating Week in southern California. She asked if I had any ideas on how and who they could connect with Newport Harbor and Safe Boating Week? I immediately contacted the D11SR DSO-PA Rudy Lopez, Jr for assistance who later replied to me that he had passed the request onto the D11SR Division 2 SO-PA to work with Newport Harbor.
2. No reported activity from DSLO-UT Lana Visser.
3. Recommended SLO member for Nevada, Roger Haynes, reported that no appointment for him came through D11NR. However, he reports that Nevada currently does not have a State Boating Law Administrator; and the NASBLA course certification expiration means that the Auxiliary can not teach Boat America. However, the Auxiliary did use the California extension to teach the class recently to some Nevada State Rangers.
