## **District 11N DSO-PV Report for April 2024**

In preparation for National Safe Boating Week, it would be nice if every program visitor got out and stocked up their displays. We, as Program Visitors, are part of recreation boating safety (RBS). As a matter of fact, it is part of our official name, we are RBS Marine Program Visitors so lets visit our partners this month early before and during NSBW.

The ANSC distribution center has great RBS pamphlets (link at end of report). Have your MA or FC place your order. Here is this month's RBS pamphlet spotlights:

***3000 PAMPHLET, VESSEL SAFETY CHECK "Boat Responsibly" - Safe Boats Help Save Lives! Get started! Ensure your craft is safe from bow to stern. (MAX 100) (2012)***

***3004a PAMPHLET, BE SMART, BE SAFE HAVE FUN (BR) - A beginner's guide to safer paddling - Always wear your life jacket - Know your limits - Carry the paddling essentials. (MAX 100)***

**Century Club Members:** Congratulations to Craig Johnson for being our third member of the Century Club. The Century Club is a special recognition for those who conduct more than 100 Program Visits. Who will be next?

Every member can be a Recreational Boating Safety Program Visitor in addition with doing any other mission of the Coast Guard and Coast Guard Auxiliary. Being a PV is an additional way we, as Auxiliarists, can help our boating friends and fellow humans to be safe and have fun on the water.

The Auxdata "How to Guides" show an efficient way to report PV visits. The link is at the end of this report.

## Our Goals:

- Increase the RBS Program Visits by 2% from 2024
- Increase the number of members who report their visits by 25% (28 to 35)
- increase the number of total Program Visitors by 10% (47 to 55).
