III. Core Training:

- a. We are currently at 64% (731 of our 1147 members) compliance for Core Training and below the 67% National average for the Auxiliary. We also ranked fourth of five in PACAREA.
 - i. 416 of our 1147 members are not current.

IV. AP/IQ Status:

COMO McFarren emphasized the importance of Core Training and Risk Management.

DCO – Dean McFarren:

i. We continue to march towards normality:

1. As with last month, there currently is NO plan to revert back to a Phase II or other restricted duty but he urged us to remind our members that we all need to follow Reconstitution Plan safety guidance and not let our guard down. Be your shipmate's keeper and help keep our District safe.
2. He's heard from a couple members asking if in-person meetings are now prohibited since we had to cancel the in-person PCA Fair.
 - a. This is untrue. In person meetings are still authorized for internal activities such as meetings and training AND external activities such as Public Education classes.
 - b. There is a caveat though. Meetings must be below 50 people to be considered by DIRAUX for approval.
 - i. Also, a mass gathering form must be completed for any new meetings.
 - ii. For repeat meetings, e.g. flotilla meetings, the organizer should review the approved MGF, assess if there are any significant changes, and resubmit ONLY if there are significant changes to the risk or mitigation plans.
3. He knows that many Divisions and Flotilla's are seeing a downturn in meeting attendance as we continue to learn how to manage COVID. He'd just like to say that each and every member is important and the work we do is equally important. We can do just about every task we did before COVID... It's important to reinforce that and let our members know that they can return to duty if they so choose.
 - a. Let's be the voice of encouragement and work with our members to get them energized and engaged.

ii. Wildfires in our AOR - Everbridge

1. As you are all aware, we have had massive wildfires burning in Northern and Central California over the past couple of months.
2. Our Emergency Management team (Vinny Mata DSO-EM) and Bryce Leinan (DCDR-11, ADSO-EM) have kept tabs on fire progress and Bryce has been providing COMO McFarren with SITREPS on a daily basis during the most extreme times.
3. Approximately 12 of our members were evacuated at one time or another in the past weeks but he's very happy and relieved to say that there were no injuries or property damage to our members and all members have since been able to return home.
4. Gave a personal shout-out and Bravo Zulu to Chief Fairchild and the crew of Station Lake Tahoe for allowing evacuated Aux members in the Tahoe area to stay at the A-frame cabins free of charge. This is a wonderful example showing that we take care of our own.
5. During these wildfire events, we have deployed Everbridge in a limited capacity multiple times to check up on our members. This technology, along with personal phone calls from our local leadership has helped keep us informed and also let our membership know that we're interested in their welfare. Sometimes, it's just good to know that someone is looking in on you.
6. Encouraged us, as leaders, to talk up Everbridge, give this example, and urge members to respond to our ongoing system tests.

iii. Membership Status:

1. Currently at 1141 as of last report on 9/14. Up from 1139 last month at this time (+9 YTD).

2. We have recruited 86 new members in 2021 through 9/14 so we're still above our goal trend of 10% for the year.
3. Flotilla 01-09 (Coyote Point) is our leading recruiter with 15 new members recruited and Division 01 is still our leading Division with 22 new members in 2021. Bravo Zulu to Flotilla 01-09 and Division 01.
4. Survey of members who had left the AUX. Findings: All 22 said they were dissatisfied with us being engaged in our mission due to COVID. 18 said they had not spoken with their FCs.

OLD BUSINESS:

a. September PCA Fair 18SEPT 21

- i. As everyone knows, we are having an abbreviated PCA Fair Saturday morning
- ii. The theme for Saturday's session is Leadership and Working Together. Hopefully this excites and motivates our members.
- iii. Speakers include CAPT Lam, SSF Commander, NACO Alex Malewski, COMO Kirkwood, and we have two AUC's speaking about their experiences with the active duty.
- iv. The YouTube link has been sent out by the PCA team and we're really hoping we get a good turnout.

b. District Elections

- I. District elections for three DCAPT positions for the 2022 term will be held on September 18th @ 13:00pdt.
- II. The election will be held electronically in accordance with AUX-SOP 004A "Election of Unit Officers Through the Use of Electronic Means", ALAUX 023/20 "Auxiliary Election Policy Changes" to ensure all of the voting body have an opportunity to participate.
- III. With this change from paper ballot to electronic voting, and in accordance with the Auxiliary Manual, Commandant Instruction M16790.1 (series), section 4.F.3.c. nominations from the floor are suspended for elections held electronically. Nominations from the floor are not permitted during such elections.
- IV. Meeting links have been sent out to the district board (EXCOM, DCDR's, PPCA) to join the meeting. You must be logged into the meeting to be eligible to vote.
- V. Please make sure your contact information is up to date in ADII as COMO Maddox will be using your email address that is on file to contact you with the balloting information.
- VI. If you know you will not be available, please notify COMO Maddox and your DCAPT ahead of time and let them know who will be representing your Division. 1st alternate should be your VDCDR, 2ND alternate should be your IPDCDR.
- VII. We have five candidates that have submitted their notice of intent to run to COMO Maddox AND the screening team prior to the 04SEP2021 deadline.
- VIII. All five candidates have been vetted and meet the eligibility requirements contained in AUXMAN Chapter 4 Section F.2. Eligibility and AUXMAN Appendix C.31. Election Eligibility Criteria for District Captains.
- IX. The candidates are:
 - a. Michael Brown (current Div 4 DCDR)
 - b. Chuck Cobery (current Div 6 DCDR)
 - c. Lew Derfuss (current Div 5 DCDR)
 - d. Bruce Martin (incumbent DCAPT)
 - e. Alan Stanton (incumbent DCAPT)
- X. Good Luck to all candidates and thank you for choosing to run for District elected office.

c. Division & Flotilla elections

- i. Divisions and Flotillas will also be conducting their elections electronically, even if you plan to meet in person. As already stated, we need to be thinking “Safety First” and not creating an environment where a voting member is uncomfortable attending a meeting.
- ii. Divisions should have their screening teams in place for elections after the District election and Flotilla’s should also either have their teams in place or getting ready to assign.
 - a. Screening teams have a very important job to ensure potential candidates meet the core requirements to hold the office as outlined in AUXMAN.
 - b. Please refer to AUX-SOP 004A “Election of Unit Officers Through the Use of Electronic Means”, ALAUX 023/20 “Auxiliary Election Policy Changes” along with your standing rules and the AUXMAN for additional guidance and date requirements.
- iii. Just a reminder, that if your Division or any of the Flotilla elections are contested by two or more candidates, you will be using our approved balloting software. Election Runner for Divisions and Easy Poll for Flotillas.
 - a. If the election is uncontested, a simple voice vote will suffice. Only one Yes vote is sufficient to elect a member if the contest is uncontested.
- iv. Please let your District Captain know at your earliest convenience if your Division or Flotilla elections will be contested or not.
- v. Also, if for some reason a member needs a waiver to run for an elected office or be appointed to office, please make sure they meet the qualifications to hold that office as defined by AUXMAN prior to submitting the request up the Chain of Leadership. CDR Keenan will not grant any waivers for members that do not meet qualifications.
- vi. Send names of elected officers to Ann Zocchi so she can set up Elected Officers Training.

d. Fleet Week 2021

 - c. Kevin Sellstrom (Communications)
- iii. Planning continues to occur according to Terry, but there may be a reduced presence or opportunity to tour Naval ships due to COVID concerns. More meetings are scheduled this week.
- iv. Please have your members contact the POC’s directly if they would like to participate.
- v. Again, participating members must be current in Core Training, IRM/TCT, have completed Blood Borne Pathogen training, and have High Risk Assessment forms on file with DIRAUX.

NEW BUSINESS:

a. OPCOM/National Board Meeting Scheduled for 23-24OCT2021

1. As NACON has been canceled as of 02AUG, National is putting together two days of meetings later this month
2. The National Operating Committee (all Aux Programs) Report-out will be on Saturday 23OCT at 10:00pdt.

 - b. This is a great opportunity to see and hear what is going on in our different program areas and what is coming down the pike.
3. The National Board Meeting will be held on Sunday 24OCT also at 10:00pdt and will include an awards ceremony. One of our own, Randy McCormick should be receiving the NACO Diversity Award at that time.

b. Division Changes of Watch Scheduling

- (1) Currently eight of 10 Divisions have chosen to hold a COW, with four planned in person.
- (2) Just a reminder that current D11 COVID capacity protocols suggest that the maximum number of people present for in-person events is limited to under 50ppl. And of course, the venue maximum size would also need to be taken into consideration. All of this should be contained in your Mass Gathering Form that needs to be submitted to and approved by DIRAUX prior to the event.
- (3) There is only limited information on the District calendar, so DCDR's, please reach out to your DCAPT's and Curtis with Dates, times, locations, UOD, etc.
- (4) Four are planned in person
- (5) CAPT Lam has voiced interest in attending our COW's. We need to get a full schedule to his office ASAP to make sure he or possibly CAPT Balduenza can attend.
- (6) Customarily, the SSF/SHB representative talks a bit about the Division, including how many volunteer hours, major points or milestones in the year. DCDR's, please provide this information to your DCAPT so the Rep has something to congratulate your team on. Please get it in 3 weeks in advance.

c. Sector San Francisco Fire Brochure

- 1) SSF Sue Fry shared a new brochure created by Sector Prevention staff that covers Fire Safety Tips.
- 2) We should plan is to talk it up and provide copies to get these Fire Safety Tips out to the public.

d. New Blood Born Pathogen Online Course (ALAU 031/21)

- 1) An alternative BBP course is available through the CGAUX Online Classroom (the current online class through AUXLMS is still available)
- 2) Members need to take a screen shot of the completion certificate and send through their FSO-IS for input into ADII.
 - a. There is no direct link between the Online Classroom and ADII.

For the Good of the Auxiliary:

• 50 Year Service Plaque

- 1) COMO McFarren recognized one of our long-term members, Ted Cooper of Flotilla 10-03, for 50 years of dedicated service to the Coast Guard Auxiliary and D11N.
- 2) Ted enrolled on 10MAR1971, was a former FSO-PE and just got qualified as a Boat Crew member this year. Bravo Zulu to Ted for being a shining example of Auxiliary dedication.

- **Streaming B&S Meetings:** COMO McFarren is thinking about streaming our Board & Staff Meetings to do outreach to members. He asked if anyone had any issues with this. Bryce Leinan noted the meeting would be automatically recorded doing this. It was asked if there are any security concerns about streaming. Bryce noted the link for the meeting is not listed outside of the

Aux membership. COMO McFarren thanked everyone for the good discussion. He'll work with Bryce to get YouTube set up for the October B&S Meeting. Board & Staff should use the GoToMeeting link not YouTube.

Adjourn: With no further comment or discussion, DCO McFarren adjourned the meeting at 2119.

Next Meeting: October 20, 2021 at 1900 PDT, Webinar
