1. Flotilla Elections were held. Lowell Fletcher elected as 2024 Flotilla Commander and Jess Pomeroy elected as 2024 Vice Flotilla Commander.
2. Funeral services were held for Carl Pierce on Sunday, October 5th.
3. Setting up training to be conducted in 2024 for Sea Scouts in Red Bluff, CA.

PROJECTS:

1. Developing ways to increase recruiting with emphasis on younger recruits.
2. Establishing a working relationship with the Sea Scouts in Eureka and Red Bluff.
3. Getting members trained as watch standers for the Eureka Boat Station.
4. Developing Division goals for 2024

CHALLENGES / OBSTACLES / OPPORTUNITIES:

1. Getting flotilla members and leaders throughout the Division reengaged and developing new opportunities.
2. Develop new leaders and officers though out Division.
3. Getting and training Mendocino Flotilla members qualified to operate and maintain the fuel farm at the Point Arena.
4. Getting members out of REYR and back to work.

AGENCY INTERACTION:

1. None.

GOALS OF DIVISION 8:

- Membership increase: Each flotilla to recruit 5 new members.

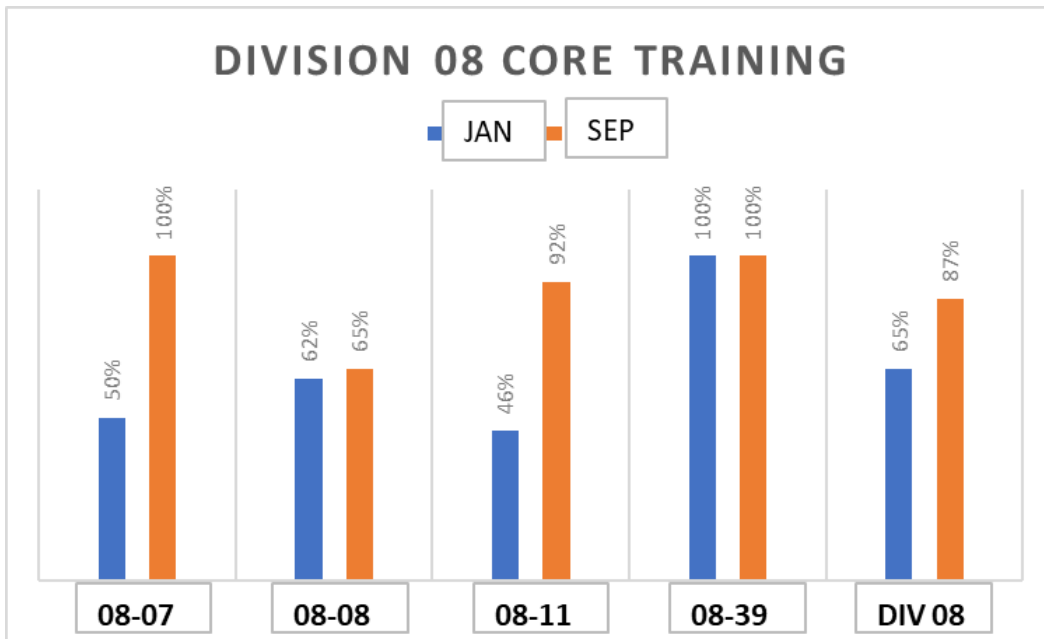

All the Division's Flotillas have been working hard at recruiting new members. All the Flotillas have applications in various stages. One Flotilla has four new members. Two Flotillas have each gotten one new member and have a number of applications that are in the works. And one Flotilla has a number of applications that are in the works. At this time the Division has 6 new members.

- Establish a flotilla or detachment in Eureka.

There are now three members from the Crescent City Flotilla that live in Eureka/Samoa area. Still exploring to possibility of recruiting for the local Sea Scouts and the Samoa volunteer fireboat crew.

- All members of each flotilla up to date on core and mandatory training.

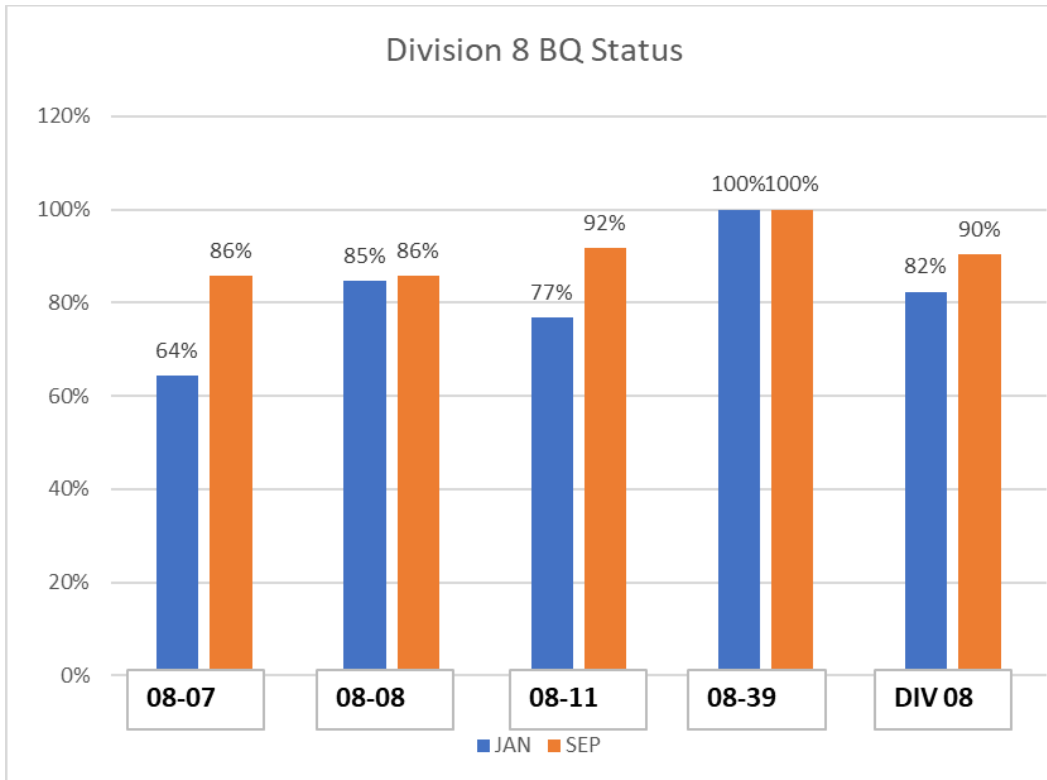

The chart shows each Flotilla's and the Division's overall current rate of compliance with core training.

Note: One member from Flotilla 08-07 has to complete their BQC II training until that is completed that person is listed as REYR for Core Training in AUXDATA II.

- All members of each flotilla with 1 years in, to be at least BQ status.

The chart shows each Flotilla's and the Division's overall current rate of members with BQ status or higher.

- Minimum of one ATON verifier in each flotilla.

Two members from Division 8 are currently working on the ATOM Verifier PQS. Both need to complete the Scenario given by the DSO-NS and one needs to complete the 4-hour TCT course. Flotillas 08-11 and 08-39 each have one member completing the ATON Verifier PQS.

****END OF REPORT****

**Respectfully submitted,
William Hale
DCDR – Division 8**
