RE: ASC-SF NOV District B&S Report

- AUX Fleet Week Coordinators have submitted their team rosters to Sector SF for afloat (82 members), telecommunications (11) and shore side (27) - for a total of 120 members supporting the event.

Our coordinators and team members have done another outstanding job supporting the CG and other law enforcement agencies while interacting with and assuring the safety of the public over several days of activities.

- Australian Marine Rescue Deputy Commissioner Dean Storey from New Zealand visited Sector SF on 23 OCT as part of his visit to several US locations. AUXLO LT Mike Wu, COMO Wally Smith, DSO-PA Jane Smith and ASC COMO Vic Connell welcomed the Commissioner, which also consisted of a meeting with CAPT Patrick Nelson, Deputy CO Sector SF, and several other Sector senior staff members.

The itinerary included a lunch in the Galley with Sector Staff, a tour of CGSTA SF and the CGC PIKE, as well as a ride aboard a CG small boat where the commissioner was given the opportunity to take the helm for most of the ride by OIC BMCM Greg Via.

- Now that Fleet Week is over, we anticipate that Sector Staff will re-engage with our AUX Workgroups in support of the Sector SF COOP (Continuity of Operations Plan) as coordinated by DSO-IM Bruce Martin.
