RE: Information Services Report - January 2021
DATE: 17JAN2021

Highlights/Topics:

1. AUXDATA II updates
2. Hours, Hours, Hours
3. Reporting Hours
4. Reports Reminder

Details:

1. AUXDATA II (AD2) continues to be updated every three-weeks, or so. As it is constantly changing, as has been done through most of last year, training opportunities for all IS officers will be offered.
2. Considering the challenges over the past nine-months, our District's hours, though lacking, have been surprisingly good. Despite, all Auxiliarists should be encouraged to keep up with their reporting.
3. Reporting of hours has never been easier. The easiest, and preferred method; is by direct input into AD2; the more difficult and time-consuming way is, submitting ansc 70XX forms to an FSO-IS, and waiting for them to enter them. Either way, hours need to be submitted.
4. Not all of the reports expected out of Legacy AUXDATA/AUXINFO, are currently available, or are in the same format. Sometimes multiple reports are required to be run, or created, to achieve the same information. Currently, AD2 evolution is not static, and a long, prioritized "To Do" list is being worked through.

Projects:

- Provide updated AUXDATA II training to all Information Services officers.

- Increase AUXDATA II training opportunities to all Auxiliarists.

Challenges:

- Get all members to use, and be comfortable, with AD2.

Goals/Objectives/Opportunities:

- Train all members to use, and be comfortable, with AD2.
- “Meet and greet meeting,” with all levels of IS.
