- Publications Staff is being filled out; I have asked the DCO to make the following appointments:
 - Tiffany Townsend - Deputy DSO-PB
 - Roger Bazeley - ADSO-PB (for Photography)
 - Richard Celia - ADSO-PB (for Central California)
 - Vicki Hudson - ADSO-PB (for the Bay Area)
 - Ron Kelley - ADSO-PB (for Northern California)
 - Allison Thompson - ADSO-PB (for the Sierra and Utah)
- Issue 2020|Q4 of Northwind was a little delayed due to end-of-year and leadership-transition things, but I expect it will be published in the next day or so.
- There is some new glitch with people being able to access the Northwind online. I am looking into getting this remedied but it's proving difficult to find out who is in charge of this and can remedy the problem.
