

S. COAST GUARD AUXILIARY
District Eleven North Region
DIVISION COMMANDERS REPORT

To: Dean McFerrin, Commodore

___March 7, 2021___ (date)

Cc: District Board and Staff

From : Linda Haynes_____, DSO_FS_____

HIGHLIGHTS/"3 UPS":

1. Sent e-mails to each AuxFS and trainee explaining their status on classes.
2. National to send class questionnaire to all AuxFSs verifying their status.
3. AUXFS support flyer sent to all commands in D11.

DETAILS:

1. National AUXFS staff are currently checking all AuxFS class/shot status. Hopefully everyone I sent e-mails to will be up to date on all the classes and not be put in an inactive status. National has spreadsheets on all AuxFSs and they are keeping track of the same information I have, but they are using it to mark our AuxFSs as inactive. I will again send out e-mails to each AuxFS with the information I have on them so they can respond to National.
2. Flyer sent to all D11 commands by OTO Finkelson. We are waiting for some work, since other areas are cooking.

PROJECTS:

1. None at this time.

CHALLENGES/OBSTACLES/OPPORTUNITIES:

1. Waiting for Coast Guard Island to open up so I can return all the equipment I used on the last event I worked on in 2020.

GOALS AND OBJECTIVES:

1. Looking forward to getting back to work.
