## **District 11N DSO-PV Report for February 2021**

**Rumor debunked!** There are no limits set to how many visits can be made per assignment of duty if they are ‘No Contact’ visits. As per our OTO Dustin Finkelson *“If it’s all no contact and there is no shelter in place order, we haven’t set a limit. On average I get request for 10-15 stops during a weekend trip “.*

**We have had 75 YTD program visits reported in Auxdata II, with 30 in February. With the ability to get 10-15 visits a weekend, let see we can get 60 or more the month of March. As always, please follow local health department and Coast Guard COVID policies and have fun!**

**We still have some vacant SO-PV staff positions in our District. Division Commanders, please appoint a SO-PV if you already have not so they can then support the FSO-PVs and PV members in your division.**

**Century Club Members Looking forward to seeing this table filled with those who completed 100-plus Partner Visits, maybe March will be the month to start this.**

**Our Goal for this year 2021 for the Marine Visit is to increase the marine visits by 2% from 2019 (see the stats chart) since 2020 was a COVID-19 bust.**

The first column in the table (above) shows the number of visits reported to the SO-PV. The challenge is getting the two to match via reporting via form 7046. We need to encourage our visitors to report their visits timely.
