

U.S. COAST GUARD AUXILIARY
District Eleven North Region
MONTHLY REPORT - November

To: Dean McFarren, Commodore

APR 14th, 2021

Curtis Han, Chief of Staff

Cc: District Board and Staff

From: Ricardo Moreno, Interpreter Corps Program Coordinator

Activities:

- Initiated process to qualify/onboard 1 new Interpreter (Cantonese/Mandarin) in D11N – Thank you Commodore McFarren for the referral
- Facilitated Interpreter selection for USCG/SEMAR Staff Talks (Mexican Navy)
- Identified D11N interpreter capabilities for CoS Curtis Han

Once again, I ask Division leadership's help to spread the word about the Interpreter program. I'd be delighted to come to a Division or Flotilla meeting and do a presentation about the Interpreter corps. We can keep it short and sweet: about 10 minutes + Q&A.

GOALS AND OBJECTIVES:

2021 Goals:

From the Auxiliary 2020-2026 Strategic Plan:

“Expand Auxiliary Interpreter Corps augmentation - Accurately meet the interpreter and translation needs of the Coast Guard Director of International Affairs and Foreign Policy Coast Guard with qualified Auxiliary interpreters.”

D11N Goals:

- Double the number of Interpreter and International affair mission hours in 2021, to a total of 75 hours
- Recruit and certify new Interpreters (revised)
Have 40 certified Interpreters in our District (currently we have 36)
- Educate 10 Auxiliary Units about the Interpreter Corps capabilities and engagement model
- Educate 10 USCG units about the Interpreter Corps capabilities and engagement model, directly or through the local Auxiliary units

Stretch Goal – Establish a communication cadence with Interpreter Corps National Staff
