Re: ASC-SF activity Report

Activities

- Communications with AUXLO's LT Cruz and ENS Connell
- Meeting with Captain Byrd, Captain Baldueza, Auxlo's, LCDR Donnelly on NSWB plans
- Attended SSF virtual Call Hands on a Friday
- Received AUC Reports from 4 Station areas
- Phase III is in force at Sector with ASC returning to SLT meetings each week
- Aux patrol Facilities under orders allowed to dock at YBI with individual permission for break and food. This also applies to the Sunday Kite/Sailboard patrols at STAGG.
- Requests for NS, VE, PA, and other Missions included in Phase III are being addressed in a timely manner
- We look forward to more missions with Sector as Auxiliarists submit their HRAF's that include vaccination information
- An additional AUXLO trainee will be coming On Board.
