DSO-AS Report – May 2021

Phase 3 Reconstitution Stand-down

The Phase 3 Reconstitution plan effectively suspends all in-person AUXSCOUT activity in the District for the foreseeable future. AUXSCOUT partners are meeting in-person and have ceased almost all virtual (online) activity.

Auxiliary members are encouraged to maintain communication with their respective AUXSCOUT partners and support their training efforts where authorized (via virtual/online means only or authorized PE activities).

Projects In-Motion - Suspended

Without clear guidance regarding the resumption of authorized in-person activities we cannot make and keep meaningful commitments with our AUXSCOUT program partners. All current projects are suspended pending further guidance.

2021 Sea Scout Safety at Sea (Sector San Francisco)

The Sea Scout Safety at Sea Committee is moving forward with plans to host the annual event. Options are being explored to host the event at an alternate location in Contra Costa County and without Auxiliary participation if necessary.

District Development Goals

- Continuing relationships development with Sea Scouts BSA Region (Territory), Area and Council leadership.
- Prepare post-COVID-19 growth and expansion plan.
- Prepare materials for an AUXSCOUT page on the District website.
