RE: Information Services Report – May 2021
DATE: 16MAY2021

Highlights/Topics:

1. Attestations, Core Training, and Workshops
2. AUX-10 C-School in AUG
3. AD2 Training
4. Officers and Reports
5. Reporting Hours

Details:

1. Currently, only IS Officers should be submitting Attestations, Core Training, and Workshops, through AUXDATA II. Members and Instructors need to work with their FSO/SO-IS to ensure accuracy, and that paperwork has been submitted appropriately. This comes from DIRAUX.
2. At this point in time, it is looking like we will be fortunate to have at least two IS members attending the AUX-10 C-School at NACON. As there is a possibility of one more, final announcement will be made once confirmed.
3. AUXDATA II Training is continuing at all levels. All members are encouraged to ask for assistance and training if needed/desired.
4. It appears that an increasing number of Elected and Appointed Officers are becoming more comfortable with AD2 Reports. Since everyone has access, it is relieving some of the strain on IS.
5. With as busy as Officers are, we sometimes require a reminder to submit our own hours. Please do! Every hour submitted into AD2, has a cash value to the USCG funds from Congress.

Projects:

- Provide continued AUXDATA II updates and training.
- Increase AUXDATA II training opportunities.

Challenges:

- Despite how easy AD2 really is, many members refuse to partake in the training, or ask for assistance.

Goals/Objectives:

- Increase the percentage of members using AUXDATA II.
- Increase the number of officers, at all levels, to get as comfortable, if not more so, using AD2 Reports, as they were with AUXINFO.
