Re: ASC-SF activity Report for May/June

Activities at Sector San Francisco

- Contacts with AUXLO LTJG Sarah Connell on many reconstituted activities
- Attended SLT meetings at Sector SF covering Sector activity upcoming, Auxiliary permission to come aboard Sector SF for patrol and food breaks and to attend Flotilla meetings is allowed.
- Phase III allows many more Auxiliary activities throughout the entire Sector SF area
- Masking is not required at Sector SF on YBI

- Kite/Sailboard patrols have begun in support of STA GG on Sundays and will continue until the end of September, Contact Jim Losi for further information
- There will be a Fleet Week this year (2021) Oct 4-12 and planning is underway for that large complicated event by San Francisco Fleet Week Association.

- An Auxiliarist, Michael Mitchell assisted CDR Rivera of Prevention for the Sector SF Inspection last week. BZ to him.
- An AUXLO trainee will be selected to assist AUXLO Connell. The collateral job has grown in size and demands.

- Please remember to list your special skills in the Auxiliary Skills Bank and update your daily availability schedule. There maybe some changes since the Pandemic.

Remember Auxiliary Call Hands on 19 June 2021 at 1000 by Captain Byrd. This will be her introduction of the new CO, Captain Taylor Lam and Deputy, Captain Jordan Baldueza as well as her "farewell" message to the Auxiliary group.
