Subj: June 2021 D11NR DSO-PE Report

**Coordination between National Aux and California DBW**

Despite NASBLA having approved Boat America and the extension of ABS's validity through June 30, California had not granted its approval to these actions. The national staff of the E directorate is attending to this and hopes to have the issue resolved soon. In the meantime, if any students of ABS or BA are running into difficulty obtaining California Boater Cards, please send that information up the PE chain of leadership and management.

**Required Instructor Workshop Due 30 June 2021**

This workshop is required for all certified instructors, and those currently training to become Instructors, including members in REYR status who intend to regain their certification. The IT workshop is located at the E-Directorate website "[What's New!](#)" page (in the Member Zone).

Members who individually view the IT workshop in their entirety must submit a [Workshop Attestation Form](#) to their FSO-IS for entry into AUXDATA II.

Instructors failing to complete the workshop by 30 June 2021 will be automatically placed into REWK status.
