## **District 11N DSO-PV Report for July 2021**

Leaving this in from last month's report since it is still very relevant to us now. A question came up of what ways are there to report program visits. The answer is two, form a7046 or Auxdata II (AD2) by creating an activity. We encourage you to use AD2, in AD2 you can report one or many PVs in one activity. You FSO-IS officer can teach you how if you don't know or use the link to the AD2 tutorials is at the end of this report. Remember in AD2 to change your PV activity from New to Requested or nothing will happen with it.

Thank you to the SO-PV that sent in division reports. From those reports we learn important things like challenges such as some divisions are still having COVID restrictions and other have none.

Please encourage more of your members to become a Program Visitor, we really cannot have to many. There is a link to the PV manual at the end of this report. The test is 'open book' and done via the testing center.

**Century Club Members** Bill Hale is our newest program visitor to complete 100-plus visits. Welcome to this way cool club.

**Our Goal for this year 2021 for the Marine Visit is to increase the marine visits by 2% from 2019 (see the stats chart) since 2020 was a COVID-19 bust.**
